LIFE PERFECT TOTAL LIFE MANAGEMENT

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 256 pages. Dimensions: 8.5in. x 5.5in. x 0.6in. The world is evolved to the levels of standardizations. Every country has its own standards of quality. There is also a common platform of international Standardization. Day by day people are becoming conscious of quality. Quality standardization is based on quality of material, safety, performance, durability and things like that. This quality awareness has given the world a new vista of faster evolution of the product and benefited the consumer. Similarly the human resources are recognized as the key to this quality management system. Lot of training programs have been prepared to qualify the people to perform the quality work to attain the set quality standards. Companies are competing each other with value added products of high quality, worldwide. There is system to measure the quality standards of the product, produced with set standards. However, there is no standard to measure the quality evolution level of man. As this is intangible philosophical, eternal evolution, no one take a serious look at it. Religions have helped to an extent to maintain, certain discipline in the societies by conditioning the mind to an organization called a religion in the past. With the higher evolution of man, and the changing civilizations world over, The yesteryear religions have not kept a pace with the changing requirements of the societies. Even if some ancient systems like Platos class systems (Bronze, Silver, and Gold class) and Vedic Ashrama system (Brahmacharya (studentcelibacy; Grihasthafamily man; Vanaprastharetirement or life of contentment; and Sanyasa life of dispassion.) can be applied with little modifications, no effort was made to that effect. At present there is no certain rule or system to measure the stages or quality of eternal growth of...
