Go to SurvivalFamilyBasics.com to reserve your FREE copy now. It doesnt take a history lesson to highlight the fact that when societies crumble, whether its due to a localized natural disaster, the full scale dissolution of a country, or anything in between, and the rule of law falls away, our ability to defend our own lives and the lives of our families can be the difference between life and death. We only need to watch the news to see the truth in those words across the globe. If you consider what is at the heart of the desire to be prepared in times of crisis and disaster, it is always about protecting the ones we love and ensuring their survival. This is one of the reasons defense of home and family is such a passionate topic for so many in the prepping community. With the information in Prepping for Violence: The Self Defense Guide to Protect and Defend Your Family When Society Collapses, you and your family can begin asking and answering the difficult questions that will allow you to build the self defense strategy, skills, and toolbox that is right for you all. Thinking through scenarios and considering how you will respond will help you define your own personal boundaries that outline what you are willing to do and unwilling to do in defense of your life. In this guide well explore: The goal of self-defense, and why its probably...
