Pride Company, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Falling isn't so bad. It's the landing that hurts. Falling Just what exactly happens when an angel goes bad? Stripped of his voice, his memories and his divinity, Rion Hunter falls to Earth in a fiery blaze. After crashing into a muddy sheep pasture in Scotland, the disgraced angel finds himself face to face with an unlikely rescuer—a Sidhe-born farmer named Rex. Rex finds himself rapidly falling for the beautiful angel, which can be risky when the object of your affection just might be psychotic. And if that isn't enough, the men find that they've come to the attention of a ravenous succubus who has developed an appetite for Scottish farmers. Burn Following an auto accident, Rex Clark lays near death in the rocky wilderness of the Trinity Alps. Just when it appears that things can't get worse, she shows up. Anahita, the succubus. She's been his frequent companion, and the bane of Rion's existence, for well over a century. But it seems that this time she's come to help. From the frozen villages of the Inuit to the cities of America, Dr. Noemi Gastineau has seen it all. When a fallen angel shows up at the reservation clinic with an injured Sidhe, Noemi takes everything in stride. Yet within hours, she's swept into an enchanted world she never imagined existed. So why are the men so temptingly familiar? And why is she suddenly so afraid? A fallen angel, a Sidhe, a human and a succubus. Never mind the demons, these four are about to catch fire! The question is, who will survive the burn? Heaven After being trapped out of space and time, Dr....
