From the New York Times bestselling author, a 30-day plan to a leaner body In the follow-up book to her bestselling Gorgeously Green, Sophie Uliano reveals the secrets to getting slim while being good to the planet . It turns out that eating local, organic, foods doesn t have to be expensive, and a healthy meal can be made in 30 minutes or less, all while shedding pounds. In her relatable, girlfriend-to-girlfriend tone, Uliano pledges that anyone can go green and lean, no matter where they live or what resources they have. Uliano recognizes that dieting and going green are big lifestyle changes and makes it easy for readers to commit to both by allowing them to personalize their plans according to their needs. With 4-week eating plans for each shade of green, she shows readers how to wean themselves off of processed, manufactured foods and onto fresh vegetables and meat. The book recommends products, brands and websites and has over 100...
