Createspace Independent Publishing Platform, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Tommy Speller woke up eighty-two years before he was born and he was in trouble, the kind of trouble where surviving was only a hope. Nine-year old Tommy traveled to a parallel universe where he fell in with some very unusual young people. Something had gone terribly wrong. It was supposed to be a glorious affair. Based on real events, it takes place on a battlefield but it s not about war. It s about a personal secret from this journey that Tommy kept sealed in his mind until he was an old man, a secret one-hundred-forty-nine years old. Teenagers and children in mortal danger but obsessed with girls, baseball and getting home to mother. They were simple, funny, compassionate and scared. They didn t think much about dying.until today. Tommy Speller is a modern-day nine-year-old boy who is an unwilling time traveler.
