to Individual Needs**
A Single Case Study and Innovation Project

Condition: New. Publisher/Verlag: VDM Verlag Dr. Müller | A Single Case Study and Innovation Project | The purpose of this study was to provide information enabling the school to effectively implement the inclusion of a child with special needs into regular class, through designing a curriculum and teaching that accommodate his/her individual needs. The curriculum relation model (Johnsen, 2001) introduced, as a structural frame for this study, is an example of a professional tool for creating relevant teaching/learning situations in...
