Outskirts Press, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.IN ONE SECOND YOUR WHOLE LIFE CAN CHANGE. Damie Jean Barber had a normal childhood. She grew up relatively happy, earned a college degree, and spent two years teaching in a public system. Then she began a different life-in construction. She was a female in a man s world, but in less than four years she went from bottom helper to general foreman. Life was grand. A few years later, Damie changed her life yet again. In her thirties, she was self-employed on the East Coast-enjoying life, raising two teenagers, working, and traveling. Life was great. November 5, 1994, was a beautiful fall day, and Damie was looking forward to an enjoyable evening with her husband. One moment she was wondering what to wear, and less than one second later, Damie s whole world had changed. She would go from being an intelligent, active adult to one who was later called a walking miracle. Forgotten Danger is a honest and moving memoir that chronicles one woman s struggle to overcome the devastating effects of a stroke and reclaim her independence.
