

When Anorexia Came to Visit: Families Talk About How an Eating Disorder Invaded Their Lives (Paperback)

Filesize: 3.52 MB

Reviews

*It becomes an amazing ebook that we have possibly read through. It is really simplified but surprises within the 50 % from the ebook. You can expect to like how the blogger compose this book.

WHEN ANOREXIA CAME TO VISIT: FAMILIES TALK ABOUT HOW AN EATING DISORDER INVADED THEIR LIVES (PAPERBACK)

[DOWNLOAD PDF](#)

Creative Copy, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Getting a daughter or son through an eating disorder can be challenging to say the least. In *When Anorexia Came To Visit* 20 families from across the UK talk frankly to Bev Mattocks (Please eat. A Mother s Struggle To Free Her Teenage Son From Anorexia) about the effect that anorexia had on their lives. (With a Foreword by Professor Janet Treasure, OBE PhD FRCP FRCPsych.) Few, if any, people expect their son or daughter to develop an eating disorder like anorexia nervosa. Also, eating disorders are notoriously insidious illnesses; they can creep up slowly, almost undetected, over several months or even years. By the time families are aware that something is seriously wrong with their child, the illness can be deeply entrenched. And, once the penny drops, families are faced with the struggle of getting a diagnosis, referral and treatment whilst being forced to undergo a huge and often distressing learning curve. In *When Anorexia Came To Visit* 20 families (21 if you include the author s own account which appears at the end of this new, updated edition of the book) have come together to describe their own experiences of getting their child through a serious eating disorder: boys as well as girls, from across the UK including England, Scotland and Wales, and across a wide age range from pre-teens to 20-somethings. Not only do these 20 families want to help other parents understand this complex illness and demand prompt and effective treatment for their child - and learn that there is hope for a full recovery - they also want to provide healthcare professionals with a unique insight into what goes on, at home, beyond the confines of...
