I wouldnt say there have been challenges with that, but I think we are still working to make sure that as individuals are looking at particular documents - and, again, this is all about training - that their focus should be on, are there pieces of this document that can be released, even if there are pieces in this record that may not be able to be released And we very much encourage agencies to go through that process on a document-by-document basis. I think we are starting to see the results of that training and trying to inculcate these ideas, and I think we are making progress every day. Senator K. And one of the provisions of the OPEN LOBUCHAR Government Act was a requirement that agencies assign tracking numbers to FOIA requests if they would take longer than 10 days to fulfill, and I am sure that got at...

Reviews

The publication is easy in read better to understand. It is written in basic words and phrases rather than hard to understand. You wont truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).
