Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Edgar Allan Poe is undoubtedly the godfather of horror but he also mastered mystery, comedy and the bizarre. This book collects six of his best stories and adapts them for stage to be performed together as a night of macabre and curious (yet, family friendly) entertainment or individually by amateur theatre groups or schools. Ideal for Halloween or to be performed separately, Raven About Poe captures the atmosphere and intrigue created by one of the worlds greatest ever writers. The stories adapted for stage include The Raven, The Tell-Tale Hear, The Masque of the Red Death, The Facts in the case of M. Valdemar, The Angel of the Odd and Hop Frog. Once you purchase the script book you will have access to an electronic version of the script to enable you to print and distribute to your cast. Performance of all six plays will take between 60 to 75 minutes depending on how you produce them.
