Reviews

I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

The war with the undead is short-lived in a decisive victory by the living. The world is forever changed, though, and a third of the population is stricken by a mysterious illness. Rico is inspired to change his life for the better, and after dropping a few pounds, heads off on his Harley for an adventure to anywhere. Before Rico gets very far, the seeds from the previous war bear ghastly fruit, turning millions into flesh eating zombies. In all, The Dark Times is a harrowing page turner guaranteed to satisfy your hunger for the zompocalypse.
