2011 THE NEW MILLENNIUM BEGINS: MESSAGES FOR THE PRESENT AND PREDICTIONS FOR THE FUTURE

Personal Transformation Press. Paperback. Book Condition: New. Tony Stubbs (illustrator). Paperback. 271 pages. Dimensions: 9.0in. x 6.1in. x 0.4in. The original information for this book was written in 1996. At that time there was a lot of discussion about the earth changes and the coming shift in spiritual consciousness. There were many people predicting all types of changes that would come in 2012 as the known calendars would come to a close. In the intervening there about the Harmonic convergence which took place 1987 and the upcoming Y2K at the turn of the century in 2000. I decided I would write a book about what was coming and what we could do about it. Well, we are reaching the date now that we are in 2011. What is going to happen At this point there has not been any major indicators other the minor changes such as the eartquakes, tornadoes, the floods and tidal waves which have happened. Some people may consider many of these major happenings. If you will view where this activity is happening we can see that this is happening in the areas where then new conscious is not taking place. Many people focused on California and the earthquakes that they pridicted would happen and not much about the rest of the world. Some even developed maps of what the earth would look like after these predicted changes. At this point not much has happened. Will it happen the only way we will know is when it does. We can make prognostications about what the future is going to look like but the people who have been making predictions have not been proven to be accurate. One would ask why It comes sown to where you are getting your information. how will the future unfold It all depends...
