Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Pi Phillecroix, daughter and only offspring of Piette and Paul Phillecroix V attempts to survive a world that preys on the weak and vulnerable when she leaves the protection of her Paris home and journeys to the shores of England to find a cure for her dying father. Flightless, she bears the expectations of seventeen centuries of France's most heroic and decorated flying families. Can one little bird bear the expectations of seventeen centuries? The Phillecroix have long been respected the world over for their daring and flying excellence. Each and every member of their lineage has devoted their lives to flock and country. The tragedy is that Pi, the last and only progeny of these decorated heroes, cannot fly. Intelligent, loving, virtuous, enormously devoted and reverential to mother and father, Pi bears the weight of her parents' disappointment when they learn that the family's tradition of flying excellence has ended. At a time when most young birds frolic and play in and around the fountains of the Tuileries, Pi relegates herself to a small corner of the family nest atop the Arc de Triomphe in order to hide her handicap and escape endless torment from the arrondissement's teenage birds. When her war-decorated and beloved father becomes seriously ill, Pi steals away in the middle of the night to walk from Paris to England in an attempt to find Dr. Allbewell, the only one who may have the powers to save his life. Flightless, Pi makes her way on two scrawny pink feet, north to Normandy. During her journey she uncovers a host of characters that sometimes halt and other times hasten her journey with a blend of cruelty...
