CHRONICLE BOOKS, United States, 2013. Hardback. Condition: New. Language: English . Brand New Book. From butterfly swords to bo staffs, the only history of weapons you ll ever want. John O Bryan hilariously explains weapons like the Bola, Atlatl, Khopesh, Aspis, Falx, Tomahawk, and Flaming Pigs (for real), while delivering real content about history, uses and badass potential. Stories about Attila the Hun, Genghis Khan, the peaceful Shaolin monks and the ass-whipping Rajput s of India compliment fun sidebars like So You Want to SIEZE a Fortified City. Each entry features an illustration of the weapon, either on its own or in action. A smart package and a great price point complete a book that will elicit a nerdy gasp of appreciation from anyone who can still make good explosion noises.
