Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from A Pocketful of Sixpences Such being the pains and perils of Parliamentary life, how wise was the maternal solicitude of the Duchess of Bellamont in Tauraccl about her son Lord Montacute, when he was asked to stand for the County! The only part I don t like is his being kept up very late at the House, so I begged him to be very strict in making his servant always have coffee ready for him, very hot, and a cold fowl or something of the sort. Pitt, as everyone knows, made his Parliamentary supper on veal pie and port wine. Sir Robert Peel used to eat a curious little round custard-pudding, of a type which is still provided at the Refreshment Bar. Mr. Gladstone drank a cup of the strongest tea, and slept heroically under the influence of that singular nightcap. But even to constitutions sedulously fortified the walk home after a late sitting has often proved perilous.
