One day, one student said to me, teacher, you should put these questions tell us, do not wait for our case consult your coming to the trouble or the wrong road. I think he said it. Young people are very critical stage of human life, during which they will encounter a lot of confusion, for example: learning efforts achievements Why not go A boy with the letter to me how to do Conflict with friends how to do . So, I put the students' questions by grade segments were collected from the behavior, learning, physical, mental, interpersonal four areas, 112 questions to facilitate students' queries. To increase readability, I make a story in each student's question, the 112 stories are in a class. Then write the story behind some of the recommendations. Compiled by the story of some of the things students write some adaptation on the basis of the composition of students, some adaptation of the online article. The purpose of writing a book...
