Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Megan sets out to become the youngest person ever to sail solo around the world. The family sailing vessel the Endeavor will carry her across the world's oceans with Baxter, the family dog, and her best friend, by her side. Along the way, a portal opens up beneath their ship and transports them to a new world. A world that has been cursed. A world where all of its inhabitants have been encased in stone. Megan manages to free the white tiger, Auriel. She tells Megan of Ezzerra, the evil sorceress that has trapped all in the land. If she wants to return home to earth, then the only way is to face Ezzerra and break the curse. Then perhaps someone in the realm will know of a way to send her, Baxter, and the Endeavor home . if such a way exists. A fantastical journey beyond our galaxy, Megan and the Realm of the White Tiger is a classic good vs. evil tale. It is a story about overcoming obstacles and facing challenges head on with courage. It's about looking beyond oneself to aid others and put right the wrongs. A world of wonder awaits.
