

Walking in the Way of Peace: Quaker Pacifism in the Seventeenth Century

By Meredith Baldwin Weddle

Oxford University Press. Hardcover. Book Condition: New. Hardcover. 368 pages. Dimensions: 9.5in. x 7.6in. x 1.2in. This book investigates the historical context, meaning, and expression of early Quaker pacifism in England and its colonies. Weddle focuses primarily on one historical moment-- King Philips War, which broke out in 1675 between English settlers and Indians in New England. Among the settlers were Quakers, adherents of the movement that had gathered by 1652 out of the religious and social turmoil of the English Civil War. King Philips War confronted the New England Quakers with the practical need to define the parameters of their peace testimony --to test their principles and to choose how they would respond to violence. The Quaker governors of Rhode Island, for example, had to reconcile their beliefs with the need to provide for the common defense. Others had to reconcile their peace principles with such concerns as seeking refuge in garrisons, collecting taxes for war, carrying guns for self-defense as they worked in the fields, and serving in the militia. Indeed, Weddle has uncovered records of many Quakers engaged in or abetting acts of violence, thus debunking the traditional historiography of Quakers as saintly pacifists. Weddle shows that Quaker pacifism...
