

Book V: The Brain (Paperback)

By S Grove, J Grove

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Current original manuscript describing the brain parts to body parts connections. Please Note: This book contains the continuation of some new working theories of the brain.It is a research book.An early work.Later, there will probably be a more polished book explaining all the discoveries ideas I have about the brain.But that will take a while. If you like to see ideas as they happen, raw works, then this book is for you.If you don t like looking at raw research just want polished finished products, maybe wait. Lack of sightedness.Workplace injuries.Book 5 of Grove Health Science Series. Manuscript is updated as new information becomes available. DIY Chemo for Breast Cancer lumps as a Home neoadjuvant therapy for those who are falling through the cracks or just want more control of their bodies-warning, not for junior seekers! DIY Mammography-a simple way to check your Lumps yourself with your own digital camera. Warning: Doing things yourself is for the brave.It is also for those who like to research, who question who are trying to find custom answers for themselves. If you don t like it,...

Reviews

Complete information! Its such a great study. It is probably the most amazing book i have got study. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Mr. Roger Luetgen III**

This publication is definitely worth buying. It is writter in straightforward words rather than difficult to understand. You are going to like how the writer compose this publication.
