

DISCOVERY DOODLES: THE COMPLETE SERIES: UNLOCKING YOUR CREATIVITY FROM INFANCY TO INDUSTRY (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In this workbook, you will discover the wonderful world of doodling. We created this series to guide you through the basics of how to draw. We have heard thousands of people say, I can't draw. You CAN. We believe you can and we will show you how. Once you know the basics, there are literally hundreds of ways you can apply it from early childhood, elementary and secondary school and well into your adult life. From infancy to industry, doodling has practical and powerful applications. Mathematicians and scientists use doodles to explain complex theories and equations. Business people use doodles to map business plans and strategies. Across the globe, people from all walks of life are doodling to help them communicate - to give visual representation and meaning to their ideas and to help others. Doodles help people innovate. Doodling has been around forever. Just look at the cave walls and you will see that we, as people, need to communicate using drawings. Doodling connects your hand and mind, which enhances your ability to absorb new information, process it, and remember it later. Doodling can help you unlock your hopes and dreams. We invite you to fill Doodle Sketchbooks big and small with your doodles and share them with family and friends. Diane knows that the Doodle is serious business. She takes even the most non-artistic reader and empowers them to think brilliantly using visual language. You don't want to miss this book. -- Sunni Brown, co-author of Gamestorming and Leader of the Doodle Revolution Discovery Doodles: The Complete Series is accessible to all ages. I'm using this book to teach my nieces and nephews how to...
