Brand New Book ***** Print on Demand *****.Prepping your horse for a first ride requires plenty of ground work. Here are your step-by-step instructions. This book provides simple and objective training for the unbroke horse, from first-time bridling and saddling to sacking out, bridle work from the ground, pre-mount work, and your (necessarily short) first ride. Developing a good feel for when and how to pick up and drop those reins will make training easier at all stages of your horse s life -- especially when astride a young and nervous colt when clear communication is most paramount. Finally, pinned to the tail of this book, you ll find Cinchy Horses. Should you find yourself training a youngster who s especially goosey...
