Reviews

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Stars in Hand, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Never failing to entertain, Lockheed Elite establishes characters who could recur in a series that would find a loyal audience. Lockheed Elite stands out as a captivating, well-plotted science fiction novel that's loaded with action and intrigue. It's a rollicking sci-fi tale with twists and turns one does not always see coming. - Foreword Clarion Reviews Tyler Wandschneider's Lockheed Elite is a thoroughly enjoyable sci-fi crime adventure akin to an episode of Firefly than anything else. - Literary Titan Short Bit: After Anders Lockheed unwittingly hires an undercover operative, he takes the bait that draws the attention of the very mastermind he's been avoiding. Now Anders must flip the military and use them to pull off a monster heist to extract his crew from the heat mounting from both sides of the law. Long Bit: Working to pay off a blackmailer who has learned that a certain genius mechanic isn't as dead as he was made out to be, Anders Lockheed takes his team on their biggest salvage op yet. Unfortunately, Anders has hired an undercover military operative bent on using them as bait to draw out a mastermind who has been attacking the public with deadly mechs. While on the scav op, things go from bad to worse as the crew of Elite One recover an abandoned woman aboard the claim. Now Anders must decide quickly--stay and fight or cut cables and run. Either way, it's too late. Someone has other plans for them. The trap has been set, they've rescued the woman and taken the bait, and before long Anders and what's left of his dwindling crew must navigate with caution through the...
