Bloomer s Books LLC., 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This is, the Teacher s Guide Book of the perfect reading program ever written. It carefully blends the phonetic methods of the ancient Greeks and Phoenicians with most recent findings of modern neuroscience. It teaches children how to teach themselves to read Research on this program shows us: 1. It teaches 100 of the beginning children to read. 2. It teaches Dyslexics to read. 3. There are no Learning Disabilities, b/d confusions, or reversals. 5. In Federally sponsored research it taught adolescent delinquents and Adult learners to read better than programs from the three major publishers. 4. It reduces referrals to Special Education by two thirds. 5. It teaches low SES and ethnic minorities to read at, or above grade level. 6. Children taught by Professor Bloomer s reading program excel in all school subjects, even science and math. 7. It readily teaches bilingual children to read and speak English. 8. It easily teaches foreign language speakers to read and speak English. 9. It is eight to ten times more efficient than the common public school reading programs. You can use it to home-school teach your children or your grandchildren. You can give it to a first-grade teacher, and see her children excel in school. You can prescribe it for failing readers and watch them grow into effective readers. Introducing Professor Bloomer s No-Nonsense Series for Young Learners.This series focuses on mastering the cornerstones of a sound education; Reading, Writing, Spelling and learning how to learn. Professor Bloomer peels away the frills of our modern educational system and presents a straightforward, easy to use, phonetic teaching method in this No-Nonsense Series. These methods include learning both factual knowledge and the mental processing...
