Scottish Heinemann Maths 4: Assessment Workbook (8 Pack) (Mixed media product)

By -

Pearson Education Limited, United Kingdom, 2001. Mixed media product. Condition: New. Language: English . Brand New Book. This maths scheme is written specifically for Scotland to help implement the recommendations from Improving Mathematics Education 5-14 . It provides an increasing pace of progression; end of level assessment; oral and mental calculation; integral homework; and support for planning. For staff planning maths lessons there are Organising and Planning Guides, which provide matching charts to Mathematics Education 5-14 block planners. In the medium and short term the Teaching File provides a schematic showing the structure and sequence of teaching, with pages and components needed, and a summary for each mathematical topic. Level A and Level B planning guides show a detailed match between 5-14 attainment targets and the Units in SHM 1, 2 and 3. On introducing maths lessons, Tune-in introduces a new section of work, reinforces previous learning, and can be used as pre-teaching assessment Starters and other mental activities offer specific activities linked to particular sections of maths, and generic activities for use with a range of different operations. Within the Teaching File a broad range of interactive teaching activities give structured progression through each topic. The pupil activities follow...
