Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . It is scarcely necessary to state that the book was not designed as a substitute for the services of an attorney. We believe it will be sufficiently clear to those who use the book that the only wise course for the layman in almost every instance is to seek competent legal counsel. The manual should prove valuable to members of the legal profession whose practice includes the handling of cases falling within the range of subjects considered. The references to statutes and to cases have been made exact and in accordance with the usual method of citation in the legal profession, and the...
