Michael D Angelo might be the driving force behind the successful Archangel galleries, but it doesn't mean he's perfect. He lost his halo years ago! Yet when a delectable woman shows up in Paris, claiming he's the father to twins, it's one mistake Michael is certain he's not responsible for. Fiery Eva Foster won't walk away until the twins in her charge are reunited with their father. Now the one person she hoped would help is the only person standing in her way. A line has been drawn in the sand - but when the spark between them catches all bets are off! Yet another delightful adventure with Carole! - Karen, 43, High Wycombe Discover more at.
