Arcadia Publishing (SC), United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. The early 20th century was a time of greatness and prosperity for New York s Capital Region. Economically powerful cities like Albany and Schenectady were home to emergent companies that employed a growing population. This influx gave way to an abundance of stores and retail establishments that catered to newly settled residents. With the local economy experiencing unprecedented growth, people had discretionary income to be used for leisure activities, such as going to Proctor s Theater or enjoying the sport of motorcycling. Capital Region Motorcycling reveals the many activities that were enjoyed by those who wished to participate or watch. Photographs of road tours, polo matches, hill climbs, field meets, scrambles, and short-track and ice racing are featured alongside stories of the Electric City Riders and Spitzies Roamers motorcycle clubs.
