The success of the survey has been so marked that the Lake George Association has asked each board of health to make a special appropriation this year to continue the service. Of the 637 pieces of property reviewed 372 were found to have one or more conditions that needed sanitary improvement. These were first reported to the owners of the property, and in nearly every instance prompt measures were taken to correct the conditions noted. In those few instances where this was not the case, the matter was referred to the local board of health and the proper action was taken by them. The board of health of the Fort Edward Consolidated Health District, Washington County, has placed the sum of \$600 in their budget for 1918 for the full-time services of a public health nurse for a period of six months. The local Tuberculosis Committee will be responsible for her salary for an additional period of two months, while the Board of Education expects to be able to assume the necessary expense for the remainder of the year. Miss Elizabeth Babbs of Cohoes has already been employed, and divides her time between the work in the schools and in the health district. Fort Edward is one of the smallest. if not the smallest, health district in the State to employ a full-time public health nurse. The Washington County War Emergency Committee of the State Charities Aid Association has...
