

## The Cuckoo Box-A Minimal Absurdist Play (Paperback)

By Oblivian Substanshall

Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Two men. One by the name of Weiridwiff. The other, Sneath. Both are very opinionated individuals always trying to inject a philosophical bent to their point of view. They reminisce and gossip about a man called Beckles, the past and present, with its joys and upsets, often confessing to each other about how they feel, with regards to their life, and life itself. It all takes place in some anonymous setting, which is never explained. There is a third person who randomly comes and goes, whistling, and sweeping the floor, yet they never utter a single word, throughout. From the very onset, Weiridwiff and Sneath s relationship goes round in circles, quickly becoming more and more absurd and utterly farcical, with the occasional acerbic diatribe, to round things off.
