Reviews

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

THE LAW OF FINANCIAL SUCCESS: LARGE PRINT EDITION (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****.Excerpt: THERE is no idea that seems so much misunderstood as this idea of Money. The wise man is he who sees money as a symbol of something else behind, and who is not deluded by mistaking the shadow for the substance, either for good or evil. The wise man makes neither a god nor a devil of money-he sees it as a symbol of almost everything that man may obtain from the outside world, and he respects it as such. He sees, while it is true that avarice and greed are detestable and hurtful qualities of mind, still the lack of the proper desire for, and striving after money, makes of man a creature devoid of all that makes life worth the living. When the sane man desires money, he really desires the many things that money...
