Brand New Book ***** Print on Demand *****.A finger of smoke from the fire seemed to eerily follow me down to the creek where I drafted water to refill tanker 1-81s three hundred gallon tank. It thickened and lay like a dirty cloud over the truck as I slowly maneuvered my way on an old logging road for about a half mile, back to the fire. In order to make it easier to get out in a hurry, in case the whole thing blew up around us, I turned the truck around in the middle of the road where there was a fire line scraped out by a cat that tied into the road. I then backed up the cat trail about fifty yards to get to our hose line. While performing this extraordinary feat of skill, I managed to knock off the drivers side mirror. With these words, author John Meyers takes us on a twelve year journey, following his career as a wildland firefighter and a city department fireman. "Generally, firemen who fight wildland fires are called Firefighters and firefighters who fight city fires are called Firemen. Im not sure what the difference is. Ive done both and both are dangerous and the flames are just as hot and can burn you up in either environment." At times, the journey was exciting The Lieutenant and I were on one side of the truck with a live reel (a rubber one inch hose on a reel that always stays charged with water) and a couple of guys were on the other side of the truck with the other live reel. The engineer was supposed to be watching both of us. He wasnt. He saw...
