

The Geography of Water (Paperback)

Filesize: 7 MB

Reviews

Unquestionably, this is actually the greatest function by any writer. We have go through and so i am confident that i am going to gonna read through once more once again later on. I am just happy to explain how this is actually the very best book i have got go through during my individual existence and might be he greatest ebook for ever.

(Wilbert Connelly)

University of Alaska Press, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. In this exquisite debut novel, Mary Emerick takes readers into the watery landscape of southeast Alaska and the depths of a family in crisis. An abusive father and a broken home forces a teenage Winnie to seek the safety of a neighboring bay and a pair of unlikely father figures. Years later her mother goes missing, and Winnie returns to the hunting and fishing lodge she grew up in to find the world she knew gone. Her once-powerful father disfigured by a bear attack. Her childhood hero revealed as merely human. And her mother's story rewritten by a stray note. As Winnie uses the help of friends to sort out the details of her mother's final exodus, she finds herself pulled into a murky swirl of family secrets and devastating revelations. As the search heads higher into the mountains, Winnie must learn to depend on her own strength in order to reach the one she loves.
