iUniverse, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Handu Hurgus was an engineer who had a masters degree in physics. Handu believed the lives lost in war was senseless, and he knew there was a better way. He believed the world could solve its own problems. where world courts settled the big issues, not wars. No, the end to these wars was near. Handu read all of the history books in school, and he came to the conclusion that one day he would begin a New World government. When Handu s grandfather died, Handu s dream of starting a world government became a reality when billions of dollars were left to him. In fact, it was thanks to his grandfather that Handu had in fact become the richest man in the world. If it was not for his family and friends by his side, Handu couldn t have accomplished his dream. With years creating and perfecting his New World government, Handu ended up bluffing the world to surrender to him. To surrender to his world government he built on an uncharted island located somewhere in the Pacific Ocean.
