

## Dissection Methods and Guides (Classic Reprint) (Paperback)

By David Gregg Metheny

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Dissection Methods and Guides This book is intended to bridge the gap that exists between the descriptive text-book and the dissecting table. It is designed for use in conjunction with a text - book, but it is not to supplant it in any way. In order that it may be used in connection with any text - book or atlas, both the old and the new anatomical names have been given. If the instructions seem to be too minute, it should be remembered that the student s first effort may happen to be that very dissection; therefore nothing has been left to chance. Every thing that a student could reasonably be expected to do in any well-equipped dissecting room has been carefully explained. Some of the dissections are orig inal, and all of them have been carefully selected with a view to their being well within the capacity of the average student to perform. The real ability of a practising physician or surgeon must often depend on a true knowledge of human anatomy. Anatomy that has merely been memorized can only...
