By Sonja Meyer

GRIN Verlag Okt 2008, 2008. sonst. Bücher. Book Condition: Neu. 211x144x1 mm. This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2007 in the subject Cultural Studies - Basics and Definitions, grade: A, University of Otago ((New Zealand) Department of Anthropology), course: Labour and Society: Working Cultures, 18 entries in the bibliography, language: English, abstract: As the cartoon above suggests, workers all around the world are situated at the bottom of the power spectrum in the international economic world. Globalisation is a catch-all term, that nowadays seems to be relevant to every field of social science. It affects every part of the world and of our every day lives. This is not to say that the locality of our lives does not play a role in how we experience the globalising forces. Rather it leads us to analyse what globalisation exactly is, how it has been conceptualised in the academic debate and how it changes conditions for every one of us. This paper will firstly address the general question of globalisation, outlining the controversy and the different approaches to developments that are subsumed under the term globalisation. To assess in how far...
