CANADA CENTRAL: TRAVEL MAPS INTERNATIONAL ADVENTURE MAP

National Geographic Maps, United States, 2013. Sheet map, folded. Book Condition: New. 226 x 104 mm. Language: English . Brand New Book. Waterproof Tear-Resistant Travel Map National Geographic s Canada Central AdventureMap is designed to meet the needs of adventure travelers with its durability and detailed, accurate information. The map includes the locations of cities and towns with a user-friendly index, a clearly marked road network complete with distances and designations for roads/highways, plus secondary routes for those seeking to explore off the beaten path for destinations between Alberta and Ontario. AdventureMaps differ from a traditional road map because of the specialty content they include. Each map contains hundreds of diverse and unique recreational, ecological, cultural, and historic destinations -- outside of the major tourist hubs. Whether you are staying in the Polar Bear capital of the world on Hudson Bay, visiting Ontario s award-winning wine region, or sitting beside a campfire in Algonquin Provincial Park, National Geographic AdventureMaps are the perfect companion to a guidebook, yet far easier to pack! On side one, explore the diverse landscape of Manitoba, bordered by Ontario to the east, the arctic coastline of the Nunavut Territory to the north, and North Dakota and Minnesota in the south. Saskatchewan, where you are never far from lake or river recreational opportunities, lies directly to the west, bordered by the Prairie province of Alberta and Montana. The adventure continues on side two, heading to the extreme north with the untouched Labrador Peninsula and Inuit culture of Nunavut. Cross the James Bay to explore the many provincial parks of Ontario, or journey south to the maple hills and lakes of the Algonquin Upland. The Canada Central AdventureMap is printed in the United States on a durable synthetic paper, making it waterproof, tear-resistant, and capable of withstanding the...
