COLLEGE ALGEBRA WITH INTERMEDIATE ALGEBRA: A BLENDED COURSE (HARDBACK)

Pearson Education (US), United States, 2016. Hardback. Condition: New. Annotated edition. Language: English . Brand New Book. For courses in Intermediate and College Algebra. Intermediate through College Algebra: A Streamlined Experience College Algebra with Intermediate Algebra: A Blended Course is an innovative new program from the Beecher et al. author team. Designed to meet your changing needs in Intermediate Algebra and College Algebra courses, this program eliminates the repetition in topic coverage across the traditional, two-course sequence. The result is a streamlined course experience that makes better use of time and resources. The careful arrangement of topics--one building on the next without redundancy--motivates and creates a solid foundation of knowledge. This new, streamlined approach to these courses is complemented by the authors innovative ability to help you see the math through their focus on visualization, early introduction to functions and graphing, and making connections between math concepts and the real world. Also Available with MyMathLab (R) . MyMathLab is an online homework, tutorial, and assessment program designed to work with this text to engage you and improve results. Within its structured environment, you are able to practice what you learn, test your understanding, and pursue a personalized study plan that helps your absorb course material and understand difficult concepts. With this edition, the authors focused on developing MyMathLab features that help you prepare better and get you thinking more visually and conceptually. Note: You are purchasing a standalone product; MyMathLab does not come packaged with this content. Students, if interested in purchasing this title with MyMathLab, ask your instructor for the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information.
