Skyhorse Publishing, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. 101 REASONS TO VOTE AGAINST HILLARY CLINTON Hillary Clinton s presidential candidacy is one of the most talked about issues of the 2016 elections. As a former Senator, First Lady, and Secretary of State, she continues to be a controversial figure and is larger known as someone who will lead the country with a backhanded agenda of my way or no way. 101 Reasons Not to Vote for Hillary Clinton will help readers understand why Clinton s uncompromising character and experience do not make her a strong presidential candidate, such as: Americans don t need another Clinton in the White House after the Bill Clinton scandal. Simply put, she seems cold . Clinton voted for the war in Iraq. She was once a republican, now she s a democrat who is considered a centrist by members of her own party. And much more. 101 Reasons Not to Vote for Hillary Clinton will bring a fresh and concise perspective on Clinton s candidacy during the elections.
