University of California Press, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book. This is the first comprehensive critical edition of the unpublished writings of Pulitzer Prize-winning objectivist poet George Oppen (1908-1984). Editor Stephen Cope has made a judicious selection of Oppen's extant writings outside of poetry, including the essay *The Mind's Own Place* as well as *Twenty-Six Fragments*, which were found on the wall of Oppen's study after his death. Most notable are Oppen's Daybooks, composed in the decade following his return to poetry in 1958. *Selected Prose, Daybooks, and Papers* is an inspiring portrait of this essential writer and a testament to the creative process itself.
