Createspace, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The only explanation, which it is perhaps fitting to make, in introducing this interesting and classical work to the public, would concern the length of time it has been permitted to lie unknown. The explanation is given us by Campion's words below, Neither shall this Church here ever faile, so long as Priests and...
