THE STILLNESS OF THE PICTURE (PAPERBACK)

Kore Press, 2016. Paperback. Condition: New. Language: English . Brand New Book. Fiction. Set in locations up and down the East Coast, these eight evocative stories explore the quiet ripples beneath the surface of everyday life. Although the characters rarely raise their voices, they are animated by the deep emotional undercurrents of desire, disillusion, and loss. In *The History of Florida*, an idealistic young woman is consumed by her boyfriend's construction of Florida, the state in which he grew up, and to which he wishes to return. In *The Pretty People Dancing*, a woman is enticed by her lover's desire for modernity, but discovers that she, like her older brother, is tied to tradition. And in *Rome*, a forty-five year old man expects his teenaged daughter to be bound to his tragic legacy. With understated lyricism, the stories in *THE STILLNESS OF THE PICTURE* touch on the ever-present past that haunts all of our lives. The stories in *THE STILLNESS OF THE PICTURE* possess the quiet power of strong feelings that go unspoken, of loves that are replaced or fade away, of injuries that scar the heart. A wife grieving for her lost husband, angry and alone; a father unwilling to let his daughter go, but unable to stop her leaving him; a mother and daughter facing a storm together without the husband and father they perhaps never really knew—all of Gretchen Combs's characters feel as real and as close to us as our own loved ones, and their stories are like our own memories. This collection is a confident and resonant debut, sure to win many fans. —Keith Lee Morris To borrow from the title and central metaphor of one of its stories, this collection manages to find the friction point in situations at once...
