Reviews

It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Delilah Darling wakes up one morning to realise that she has, without meaning to, hit the big twenty and she still hasn't found the one. She has only one option - to go on the ultimate road trip back to the beginning and revisit all those past lovers. Could she have missed the love of her life without realising it?.
