Survival Root Cellar: How To Build Underground Survival Pantry For Food Storage Root cellars and food storage rooms are wonderfully useful things. Not only can you store your fresh produce in a root cellar, you can also use these rooms for shelter in the event of certain kinds of disasters. It s always good to be prepared and, if you re not looking for long-term food storage, but a place to keep your fresh fruits and vegetables, learning how to make your own root cellar can be a valuable tool. If long-term food storage is more up your alley, we ll be covering that too. In this book, you ll find 50 tips on how to transform an existing basement room into a root cellar or dry-food storage area and even tips on getting one of your own built. The situations we will cover together are Chapter 1 - General Tips for Both Root Cellars and Food Storage Rooms - Make a budget - Stick to your budget - The difference between a root cellar and a food storage room - Deciding which type of food storage area best fits your needs - To build new, or use an existing room? - What to put in a root cellar, and what to put in a food storage room - Non-food items that may be useful in either area - Adjusting to include livable space - Keeping things accessible - How to maximize the space you have Chapter 2 - Root Cellars (building) - Picking a spot - Finding the right...
