Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from the opening lines: Once upon a time a Queen sat in her garden. She was quite a young, young Queen; but that was a long while ago, so she would be older now. But, for all she was Queen over a great and powerful country, she led a very quiet life, and sat a great deal alone in her garden watching the roses grow, and talking to a bat that hung, head downwards, with its wings folded, for all the world like an umbrella, beneath the shade of a rose tree overhanging her favourite marble seat. She did not know much about the bat, not even that it could fly, for her servants and nurses would never allow her to be out at dusk, and the bat was a great deal too weak-eyed to fly about in the broad daylight. But, one summer day, it happened that there was a revolution in the land, and the Queen s servants, not knowing who was likely to get the upper hand, left the Queen all alone, and went to look at the fight that was raging.
