## American Arsenal: A Century of Waging War

By Patrick Coffey

Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. When America declared war on Germany in 1917, the United States had only 200,000 men under arms, a 20th of the German army's strength, and its planes were no match for the German air force. Less than a century later, the United States today has by far the world's largest military budget and provides over 40% of the world's armaments. In *American Arsenal* Patrick Coffey examines America's military transformation from an isolationist state to a world superpower. Focusing on 15 specific developments, Coffey illustrates the unplanned, often haphazard nature of this transformation, which has been driven by political, military, technological, and commercial interests. Beginning with Thomas Edison's work on submarine technology, *American Arsenal* moves from World War I to the present conflicts in the Middle East, covering topics from chemical weapons, strategic bombing, and the nuclear standoff with the Soviet Union, to smart bombs, hand-held anti-aircraft missiles, and the Predator and other drone aircrafts. Coffey traces the story of each advance in weaponry from drawing board to battlefield, and includes fascinating portraits of the...
