Delamare Communications, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In Conversations with Chiropractic Technique Masters, Dr. William H. Koch clearly shows his profession to be a scientifically based, constantly evolving 21st century health care discipline. A renowned chiropractor, noted author and authority on advanced chiropractic techniques, Dr. Koch presents a series of interviews with some of his profession s brightest and best researchers and innovators. He calls upon his 47 years of experience to engage in meaningful discussion of the unique characteristics and clinical relevance of each technique, relating his personal experience studying and using them. Dr. Koch s objective is to provide the chiropractic community with up to the minute information on new technologies that are available, and to motivate practicing chiropractors, whether new to the profession or experienced practitioners, to elevate their skill sets into the realm of the highly qualified specialist. Chiropractors with advanced training are able to provide their patients with safe, effective, natural health care that extends far beyond the treatment of back and neck pain. We owe it to ourselves and our patients to always provide the best state of the art care our profession has to offer.
