World Ahead Press, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Judeo-Christian West is under siege on two major fronts: radical Islam and radical Progressivism. Depending on the degree of resistance, radical Islamists have killed or persecuted non-Muslims for the past 1,400 years. Radical Progressivism, a much newer threat, began as Marxism and is perpetuated today by those who believe that it will work if we only try harder. Mao, Hitler, and Stalin tried pretty hard to make it work - killing at least 130 million souls in the process - and they failed, yet for some reason Progressivism continues to plague free nations. In *Hunting Saracens and Modernists*, David Bolgiano steamrollers the opposition and entreats Americans to return to the solution as envisioned by our Founding Fathers. Bolgiano warns of two very real domestic and foreign threats in thoughtful and entertaining prose. - Colonel James Hawk Holloway, US Army Special Forces (Ret.).
