

Smitten

By Maris Black

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Dan Fisher is a fun-loving slacker from SSU with a passion for partying and dancing. When rich girl Avery Wakefield offers him a brand-new designer wardrobe in exchange for posing as her boyfriend, he reluctantly agrees. He hates lying, but it's hard to turn down nice clothes and a chance to live in a historic mansion in Savannah for two weeks. What he doesn't count on is falling hard for her mysterious, straight brother. Julian Wakefield is as tortured as he is handsome. He keeps a secret close to his heart and everyone else at a distance. But now his sister's new boyfriend is stirring up feelings he's always been able to deny. Like an angel and the devil all rolled into one, he tempts him to take chances he never would have taken before. Too bad Dan belongs to his sister, whom he would never dream of betraying. But put two hot boys with an irresistible attraction in the same house for long enough, something is bound to happen.

Good e-book and helpful one. It can be written in basic phrases rather than confusing. I realized this ebook from my i and dad recommended this book to find out.

This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out.
