AuthorHouse. Paperback. Book Condition: New. Paperback. 224 pages. Dimensions: 8.9in. x 6.0in. x 0.6in. Surviving The Judas Factor is outwardly a humble, modestly told autobiography. Yet, in a far deeper sense, it is a book that both rips the shroud of duplicity from an entire generation and paints a blood-soaked panorama of survival against incredible odds. This, often painfully honest, narrative is a tale of quintessential betrayal. It follows a macabre passage from naive, near-blind belief in the nobility of Nazism to an ultimate self-knowledge and a tenuous serenity built on a foundation of soul-shattering tragedy. Surviving the Judas Factor covers the catastrophic decade from 1939 to 1948. It relives the unspeakable horrors of war -- harrowing escapes, shattered ideals, the near annihilation of the author's entire family and panicked flight from blood-crazed hordes, single-mindedly bent on murder, pillage and rape. This is an epic story of escape, betrayal and, most of all, survival. Here, the reader will experience a young girl's unique coming of age. Surviving The Judas Factor is a sometimes wry, sometimes tragic, yet always gripping, rite of passage from naive pre-puberty to ultimate courageous maturity. An absolute MUST READ for anyone interested in the little known truths of World War II. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
