Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Atlas Minimus, or a New Set of Pocket Maps, of Various Empires, Kingdoms, and States: With Geographical Extracts Relative to Each Hough this work, which contains a comprehensive View of the several parts of the globe, with historical extracts respecting each map, was intended to give young gentlemen and ladies a general idea of geography it may likewise be of service to those of more years and experience since it is impossible for the student, however capacious, to remember precisely all the divisions, and subdivisions, of the several states and kingdoms in the world and it will be more acceptable, we presume, as no other epitome of this kind has been offered to the public that is so convenient for the pocket, or which contains the many modern discoveries with which the science has been enriched. Nothing need be said in favour of this study almost every one is acquainted with its usefulness and excellency, and sees how essential it is, towards forming the character of the fine gentleman. And a agreeable companion. The Editor having published an Atlas of the United States, intended to accompany this Work, has not introduced here any Rate maps, and therefore refers the reader to the above publication, in which those maps are given on a larger scale than any in this collection.
